BCN28 - GAUDI'S MASTERPIECES: PARC GÜELL AND LA PEDRERA

CULTUUR EN GESCHIEDENIS

Don't miss the chance to discover the fascinating world and works of Barcelona's most important architect: Antoni Gaudí. After leaving the port, your tour will take you to Parc Güell, a garden complex and one of Barcelona's main tourist attractions, with its remarkable curving buildings, stunning mosaics, and ceramic-covered benches. A visit to this park will give you the feeling of entering a beautiful, fairy-tale world and will allow you to admire the view over the city thanks to its position on the side of a hill. After the visit, get back on the bus to continue the itinerary to discover the world of Gaudí. You will admire from the coach, the Basilica of the Sagrada Família, a neo-Gothic masterpiece whose works are not yet finished, and the famous Casa Batlló, a flamboyant building covered in thousands of multicolourful ceramic tiles, located along the charming boulevard Passeig de Gràcia. Finally, your second internal visit will be to Casa Milà, better known as "La Pedrera" (The Quarry), which is undoubtedly Gaudí's most mature work. It has one of the most symbolic terraces in the city, thanks to the sculptural chimneys and vents designed by Gaudí, offering enchanting views of the Sagrada Família in the distance. It is one of the most representative buildings of Modernism. After the visit, board the coach for the return journey to the port. Please note: Guests using a wheelchair are welcome to participate in this tour but should be aware that it includes long periods of walking, that they must be accompanied by a paying helper to assist with getting on and off the coach, and that wheelchairs must be collapsible/foldable, as the coach has neither a ramp nor a lift. Park Güell is not fully accessible to wheelchair users: there are some stairs at the monumental area where Gaudí's dragon is located that is not wheelchair accessible. Guests of limited mobility are requested to evaluate their personal level of stamina and ability before taking part. We suggest wearing comfortable shoes. Entrance tickets included: Park Güell and La Pedrera.

Celebrated the world over for its fabulous architecture, Barcelona is yours to enjoy as your coach first takes you around the city's main sights on this all-day Catalan experience. The route will take you down Passeig de Gràcia, one of Barcelona's main boulevards, passing by Gaudí's unfinished masterpiece, the incredible Sagrada Família. Leaving the breathtaking basilica behind, a location of equally awe-inspiring proportions is next: the jagged sandstone columns of the Montserrat Mountains and the abbey of Santa Maria de Montserrat, an impressive complex of buildings that affords glorious views of the countryside below. A key Catholic pilgrimage site and popular as a religious retreat, the abbey not only hosts a statue of the Virgin of Montserrat, aka the Black Madonna, but also a basilica with an ornately decorated interior. Some time to soak up the beguiling surroundings and have lunch on your own then follows, after which your travels continue by coach to the village of Sant Sadurni and the Cavas Vilarnau wine cellars. STADSRONDLEIDING

Combine a pleasant walk in the fresh air with an exploration of some of Barcelona's most notable sights in the city centre with some opportunities to buy some local products. Begin with a short coach ride from the port to the first landmark being the Columbus Monument at the lower end of La Rambla avenue. Afterwards, you will have free time to shop on your own; your guide will give you some tips on where to have a good memory of Barcelona. The tour ends at Plaza Cataluña and you can choose to remain in the city and make your way back to the port later or reach the place where the shuttle bus will transfer you to the port. BCN58 - SAGRADA FAMILIA & GAUDI'S BEST BUILDINGS

CULTUUR EN GESCHIEDENIS

A taste of the world of Antoni Gaudí, Spanish architect and leading exponent of Catalan modernism, awaits you on this half-day excursion. During the tour, you will discover how this artist shaped modernism according to his personal visions. Leaving the port, a scenic coach ride along the streets of Barcelona will take you to its main monument, the Sagrada Família. Afterwards, a 15-minute walk will take you to the Basilica, now a symbol of Barcelona and world-famous. You cannot remain indifferent to the beauty of this masterpiece by Gaudí. Its tall towers, the different facades of the building, the colourful stained-glass windows inside, the architectural lines that merged from the initial neo-Gothic style with modernism when the artist took over the construction work are just some of the elements that will allow you to understand why this monument is so famous. After visiting the interior and walking back to the coach, the tour will continue by discovering some of Gaudí's other masterpieces. Walking down the beautiful avenue Passeig de Gràcia, you will admire Casa Batlló, a flamboyant building that is covered in thousands of multi-coloured tiles. From there you will move on to Casa Milà, the last of Gaudí's civil works and perhaps the most visionary of all. Built of rough stone, the six-storey building has no less than three façades facing three different streets but the undulating shape of them makes them compact and creates a sense of architectural continuity that is hard to miss. Your tour ends with a scenic return drive to the port. Please note: Guests of limited mobility are requested to evaluate their personal level of stamina and ability before taking part. Guests using a wheelchair are welcome to participate in this tour but should be aware that it includes periods of walking, that they must be accompanied by a paying helper to assist with getting on and off the coach, and that wheelchairs must be collapsible/foldable, as the coach has neither a ramp nor a lift. The visit of the Sagrada Família lasts approx. 30 minutes. Please consider that approx. 30 minutes are spent at checkpoint scanners at the venue; to speed up queues and pass the security, we recommend bringing only a small bag or backpacks. Moreover, as the entrance at the Sagrada Família is fixed at scheduled times, guests are kindly recommended to be punctual at the meeting points and during any stop throughout the tour. Any delay could reduce the time spent inside the venue. Due to traffic restrictions around the area of the Sagrada Família, the bus will stop close by and guests must walk approx. 10/15 minutes. Guests are requested to wear appropriate attire for religious visits. We suggest wearing comfortable shoes. Entrance tickets included: Sagrada Família.

SPE49A - THE NATIONAL PARK OF CINQUE TERRE

**PANORAMISCHE
RONDRIJT**

Although "Cinque Terre" is Italian for five lands, the name actually refers to the five picturesque villages of Monterosso al Mare, Vernazza, Corniglia, Manarola and Riomaggiore that sit like little jewels along the Ligurian coastline and together count as a UNESCO World Heritage Site. The rugged and unspoiled Cinque Terre region is your destination on this all-day tour, which begins with a scenic coach ride to Portovenere, listed by UNESCO as a World Heritage Site. Your guide will tell the story of this enchanting fishing village as you admire the panorama that inspired Byron and other Italian and international poets as a muse. You will have some free time to walk along the sea and explore the cosy streets before boarding a boat for a leisurely boat tour along the coast that intends to celebrate the region's incredible natural beauty and its well-loved ancient traditions. You will reach Monterosso al Mare, the largest of the Cinque Terre villages. You will have some free time in the historical centre, home to the early 14th-century Church of San Giovanni Battista. Explore the town or perhaps have lunch on your own in one of the many cafés and restaurants before the tour then draws to a close with your train ride to Levanto and then with a coach drive to La Spezia. Please note: the tour is unsuitable for guests with walking difficulties. The cost of the lunch (optional) is not included in the price of the tour. We suggest taking a hat and wearing sunscreen during the summer months. Should adverse weather conditions prevail, a train and a coach ride may replace the boat trip; have the final tour itinerary reconfirmed during your cruise. The excursion does not operate from November to March (inclusive).
